#### SUMMARY

**Hello**. I am a hybrid designer & front-end developer hoping to obtain a challenging position within an exciting and growing company. I have a passion for solving problems, and perfecting my craft, while making sure stay on the edge of forward thinking technology. Using my <u>creative</u> and <u>development</u> knowledge I am able to design smart, intuitive interfaces that simplify the users experience. There is nothing more satisfying than implementing an innovative solution and watching it come to life from a single concept to production.
